A detailed floral arrangement featuring a mix of white and light pink roses, white hydrangeas, and white lilies, all set against a backdrop of green foliage. The arrangement is placed on a white upholstered chair with a gold frame. A white candle in a clear glass holder is also visible. The overall aesthetic is romantic and elegant.

DREAM

Eternal romanticism, all in poetry... a mix of influences which link the past to the present: vintage ambiance, harmony of curves, raw wood for a composition that is spotless and comforting. A free decoration with emotional appearances full of shades.

The elegance of a natural romance party followed by a candlelight dinner... The enchantment of a subtle bohemian lifestyle.
